

Community Housing Services

A One Stop Center to Access Home Ownership and Housing Resources in
Linn, Benton, and Lincoln Counties

Prepare for Homeownership

with three classes designed to get you there!

Home Buying 101: This hour and a half workshop focuses on prospective homebuyers and helps them to determine if now is the right time for them to buy.

Homebuyer Workshop: This eight hour workshop helps prospective homebuyers learn how to successfully navigate the home buying process. Students learn how to search for and evaluate homes, work with housing industry professionals and gain knowledge and confidence with the home purchase process. Students receive a certificate at the end of class that helps them to qualify for a number of assistance programs and tax credits.

Financial Fitness: Learn how to confidently manage your money by getting financially fit! This class is for potential homebuyers and those wanting to take control of their financial health. Students will learn how to use the services and products of financial institutions such as banks, credit unions and savings and loans. In addition, they will work to create and implement a spending plan, use credit and borrow money responsibly, as well as protect their financial rights and safeguard their money!
